REMARKS [REDACTED]

[REDACTED] 50X1-HUM

On 23 June 1953, 80 sidecar motorcycles, [REDACTED] 50X1-HUM
[REDACTED] 4 radio trucks, and 6 trucks,
 were seen returning to the Remonte Schule in Gardelegen. Three trucks
 proceeded toward Bismarck, after the troops had dismounted. During the night on
 8 July, about 200 troops with equipment including billeting equipment left the
 Remonte Schule toward Hamstedt-Bismarck. [REDACTED] they were
 transferred. [REDACTED]
 At about noon on 9 July, 15 trucks, each occupied by 12 troops
 wearing red-bordered black epaulets, entered the installation. [REDACTED]
[REDACTED] it was a newly
 arriving unit. [REDACTED] 50X1-HUM

[REDACTED] Comment. The unit which entered the Remonte Schule on 23 June is rather 50X1-HUM
 safely believed to have been the unidentified motorcycle battalion of the 207th
 Mtz Rifle Div carried there. This unit, on 8 and 9 July, presumably transferred to
 the Bismarck area, where units from Gardelegen had repeatedly been observed,
 possibly engaged in exercises. The unit which, in exchange, returned to the
 installation had motor vehicles [REDACTED] of the division 50X1-HUM
 stationed in Stendal. It cannot be determined whether these units actually were
 elements of the division from another post, and stayed in the installation only
 temporarily.
